Indianapolis, Indiana 46204

M E M O R A N D U M

TO: State Board of Education

FROM: Jeff Zaring, State Board Administrator

DATE: April 28, 2011

SUBJECT: Spotlight on Learning

The May Spotlight on Learning focuses on Danville High School, which has been very successful in preparing students to succeed on the Algebra I End of Course Assessment. The school will describe its program and talk about how it plans to expand to the higher college and career readiness standards that are coming.
